

A small marker. A working story.

Scan a sample to open its plant story on your phone.

Garden Stories demo hosted at makefieldworks.com/garden-demo/.

Print at 100% / actual size. QR squares are 40 mm including the white border.

Keep the border intact. Test phones, sunlight, shade, and viewing distance.

Sample interpretation for park review. Temporary demo addresses.

Final park labels will use approved Washington Crossing website addresses.

Cut out a sample card for a removable marker trial.
